**Dear Everyone**

The question, “Why”?

I’ve been to St Ives in Cornwall several times this year, it’s a popular all year holiday destination. But my reason for going was to attend a Methodist Church Supervision training course. One of the early questions to ask in any Supervision session is “Why this, why now?”

We can often ask “Why!?” particularly when life throws a curved ball when we least expect it, or when things happen that we have no explanation for, or are not in our control.

“Why!?” can create a multitude of problems: becoming a rhetorical question, seeping energy, damaging faith. It is no new phenomenon, appearing within the Bible over 500 times.

The following quotation is apparently written by an unknown confederate soldier, who must have asked the “Why!?” question many times.

*I asked God for strength, that I might achieve; I was made weak, that I might learn humbly to obey.*

*I asked for health, that I might do greater things; I was given infirmity, that I might do better things.*

*I asked for riches, that I might be happy; I was given poverty, that I might be wise.*

*I asked for power, that I might have the praise of people; I was given weakness, that I might feel the need for God.*

*I asked for all things, that I might enjoy life; I was given life, that I might enjoy all things.*

*I got nothing that I asked for, but everything that I had hoped for.*

*Almost, despite myself, my unspoken prayers were answered. I am, among all people, truly blessed.*

With all best wishes for the summer.

Rev David

# **Spiritual Tea**

a clumsy name for the meeting but it does sum up the event. On 3rd May 'two or three gathered in his name' to share tea and cake and to talk about our faith. We did this in relation to the challenge by the Area that we should be growing spiritually and involving the local community in spiritual growth too because until we know what we believe, how can we help other people become disciples of Jesus?

The sermon that day had been on Doubting Thomas and we so were talking about doubts. Is it okay to have doubts about what we have heard in the sermons? Is it okay to be confused about some of the things in the bible? How much of the life of Jesus do we really understand?

We talked together and moved around different topics we have found challenging. We all listened, we all prayed, we all spoke. It was a friendly meeting and everyone shared kindly and each comment was listened to kindly. We discussed everyday life as well as church life. Did we come to any great conclusions? Yes, we all agreed that doubts are normal. There is nothing wrong with wanting to know more facts, more details. Equally there is nothing wrong with putting a biblical story aside for a few years, to ponder on it prayerfully, to read the rest of the bible passage nearby, to join a discussion group to air our thoughts and concerns. And to wait for God through the Holy Spirit to help us understand.

**There will be a Spiritual Tea on the first Sunday of June  
and the first Sunday of July - at 4pm.**

**Anyone is welcome to come, to talk, to listen, to eat cake.**

**Karen Woppard**

## **OUR CHURCH FAMILY - PASTORAL CARER'S REPORT**

**Our thoughts at this time are with our older family friends, many of whom newer members to our church family, have never meet.**

**The Cooper family as we remember them at the loss of Bernard; our prayers as they recall the happiness with which he celebrated life.**

**With Howard after a fall in the garden which meant leaving home for a time.**

**With Jenny and family, as we remember her sister. Daphne was a quiet, loving lady who supported us in prayer as she was unable to attend services due to her ill health. She was a strong steadfast Christian who gave much to the church in past years. The service to celebrate her life will be held on 14<sup>th</sup> June at 10:30am here at George Street.**

**We also remember Vera, a long term friend, of Jenny's who died earlier this spring.**

**We pray for our friends in their homes -Tony, Joy, Joan D and Joan A as well as Joan J. as she recovers from her knee operation. Lots of Joan's!**

**But we celebrate with joy the christening of Angel, welcoming her into our Christian family.**

**Sebastian is now taking a greater interest in us all as he discovers the wonder of our church, what a blessing he is.**

**We welcome all our new friends visiting us, learning what we offer and pray that they find fellowship, friendship and the love of God with us.**

**Finally for those of you celebrating special birthdays in the next month or two – “Happy Birthday”**

## EASTER FAMILY ACTIVITY DAY

Singing, stories and craft enjoyed by all

Adults tried the crafts

Lunch time

## CHILDREN IN THE CHURCH

It was great to share an action packed morning with children and adults at the Easter Activity Day. Many thanks to all who helped organise and run this event.

Hopefully there will be another such activity during the school summer holidays. The date has yet to be decided.

It is also good to welcome more children on a Sunday mornings to join with Solomon and Ebenezer. Kylie and Eureka have been with us several weeks and we are also pleased to have welcomed Ivanah and Zion a couple of times and hope to see them all regularly.

The small team who work with the children would be very pleased for others to join us . Some weeks an extra pair of hands would be very useful!

Sebastian and Angel are growing rapidly and will soon want to join in with the other children, so if you feel you could help please let me know.

David Coppard has suggested holding Mini Praise Services for Toddlers and their parents or carers (see David's article on back page) – a wonderful idea which he has done in other places. He would like there to be a couple of helpers from the church at each service.

## WALKING

The first of this year's summer walks was on a sunny evening in April. 15 of us explored footpaths around and above Warminster Park and the Nature Reserve before returning to the church for a delicious Ploughman's Supper prepared by Helen Dawson. This was followed by Plum crumble or Sherry Trifle and was a real treat. 3 non-walkers joined us for the meal. Donations collected at the meal raised £150 for Christian Aid. Thank you Helen .

It has not been possible to arrange a walk in May . I am currently unable to organise walks because of my knee operation but if anyone else would like to please go ahead.

## **TREASURERS REPORT**

I am pleased to report the income from our offerings for the last 3 months:

<b>February</b>	<b>£1781.71</b>
<b>March</b>	<b>£1969.41</b>
<b>April</b>	<b>£1863.80</b>

As the tax year ended on 5<sup>th</sup> April we are making a gift aid claim for the last 12 months. Anyone who is a taxpayer can fill in a Gift Aid Declaration Form which enables us to recover the income tax paid on that money.

A lot of our offerings are made by Standing Order and anyone who wishes to contribute in that way can get a form from me to set that up. You can also use envelopes to make your offering and that can be discussed with me also.

With grateful thanks to all for your contributions for running our church and for the Ministry and Mission of the wider world.

Climate change is happening now and people in poverty are bearing the brunt of its devastating effects. Join us in Westminster at 1-4pm on Wednesday 26th June with thousands of others for a mass lobby of Parliament to declare that *The Time Is Now!* Unless our politicians take action on climate change and the environment urgently, progress to tackle poverty will unravel due to the stresses on our planet.

The time is now to call for bold action because in the coming months the government will decide whether to address the UK's contribution to climate change by committing to a net-zero emissions target. They also have the chance to commit to a stronger Environment Bill.

Organised by Tear Fund , supported by Christian aid, Green Party, World Wildlife fund etc.
